

Dien Son Vo (Steve Vo)

Advisory & Marketing Director

Becamex IDC Corporation

Binh Duong Province, Vietnam

Vo, serving as Becamex Advisory & Marketing Director, has over 15 years experience providing investment consultancy and promoting foreign investments into Vietnam, especially in the mega industrial cities and new township creation. He is a member of a number of trade and commercial associations, managing numerous trade and investment delegations in and out of country. Since 1994, Vo has been directly involved in the historic development of industrial parks which helped Vietnam's economic progress. He also worked directly, and indirectly, with about 600 foreign companies from 34 countries seeking investment opportunities in Binh Duong Province from start-up to operational implementation to future growth.

Vo is also a Vice President of Becamex Technology & Innovation Center (BTIC), which works to assist small tech start-ups and entrepreneurial ventures in Binh Duong. He is Chairman of Sao Duong Joint Stock Company, comprised of 30 subsidiaries under the Becamex umbrella. He also serves as Chairman of Binh Duong Young Entrepreneurs' Association. Vo has bachelor degrees in both economics and corporate law.
