

Erin Lembach – Bio

Erin Lembach is the Global Process Owner focusing on Origin Management and HS Classification for Bayer Corporation.

Erin joined Monsanto/Bayer in 2012 and has held leadership and strategy positions within the International Trade and Customs Compliance fields.

In these positions, she has experience managing a Global Trade Import Team, leading global trade strategies across all regions, and being a liaison with government agencies such as US Customs & Border Protection, Food & Drug Administration, and Drug Enforcement Administration.

Erin is also the current President of the St. Louis Trade Compliance Practitioners Roundtable and has been member of the organization for over 10 years.

During her free time, she enjoys spending time with her family which includes her husband and two sons, cooking, and traveling.
