

Leslie Fischer – Bio

Leslie Fischer

Director, International Trade

Missouri Small Business Development Center

Leslie Fischer directs the International Trade program for the Missouri Small Business Development Centers (SBDC). In this role, Leslie assists clients to develop their export plans, provide export education, and make connections to additional export assistance entities and trade opportunities. Prior to joining the SBDC, Leslie worked as an international marketing specialist for the Missouri Department of Agriculture and as an international trade specialist for the Missouri Department of Economic Development. Leslie holds a Master's degree in Global Management from Fordham Gabelli School of Business and a Bachelor of Science in Journalism from the University of Kansas.
