

Guillaume Mussely-Bédard, Director, FDI
Québec Office in Chicago

Guillaume Mussely-Bédard took office as the FDI director in Chicago on December 6, 2021. With this role, Guillaume leads the Québec office in Chicago for all Québec foreign direct investment initiatives for the thirteen Midwestern states. He provides free advice and operational and financial support to U.S. companies expanding into the province of Quebec, Canada.

Guillaume has over 12 years of experience in international economic development. During his career, he has held several positions for the Government of Québec and the Government of Canada. He was notably Trade Commissioner for Global Affairs Canada from 2019 to 2021, Assistant Director for Export Québec from 2018 to 2019, and Senior International Trade Advisor for Export Québec from 2010 to 2018, which he had the opportunity to cover several markets, such as the United States, Canada, China, South Korea and Japan.

He holds a Master's degree in International Public Administration from the University of Public Administration in Québec and a Bachelor's degree in Political Science from Laval University
